sommelier*

## NOC A

• *Minister of religion*

- Priest
- Cardinal
- Vicar

## ESCO

• *Minister of religion*

## NOC B

• *Minister of religion*

- Priest
- Rabbi
- Vicar

# Data exchange

**MS B**

*Vicar*

**MS A**

*Minister of  
religion*

**MS A**

*Priest*

**MS B**

*Minister of  
religion*

## In the future releases:

- *Can the level of detail be improved?*
- *Does ESCO need more detail?*
- *Should ESCO aim at a more consistent level of detail across sectors?*

*Sales manager*

*Aftersales manager*

*Motor vehicle  
aftersales manager*

# Future improvements to the consistency level would:

- *Facilitate mappings*
- *Provide better usability for statistical purposes*
