Qualifications on ESCO

Pedro Chaves
17th ESCO Maintenance Committee meeting
16-17 September 2015

LEARNING OUTCOMES (LOs)

- ESCO Board agreed that ESCO will follow EQF AG decisions on LO, including common format.

Questions:

-Links to NQ databases, implementation of the common format, who does the work, amount of work, financing.

-Quality assurance and awarding bodies.

EQF data model 2013

Title of the qualification			Search field	Required
Thematic Area ¹⁾			Search field	Required
Country/Region (code)			Search field	Required
EQF Level			Search field	Required
NQF Level			Search field	Required
Description of the qualification ²⁾	Either	Knowledge		Required
		Skills		
		Competences ³⁾		
	Or	Open text field describing what the learner is expected to know, understand and able to do		
Awarding body ⁴⁾				Required
Further information on the qualification ⁵⁾				Optional
Source of information				Optional
Link to supplement				Optional
URL of the qualification				Optional
Information language (code)				Optional
Entry requirements				Optional
Expiry date (if relevant)				Optional
Ways to acquire qualification				Optional
Relationship to occupations				Optional
