 - discussed on 16 September 2014
 - Received your comments
- **2nd draft: Strategic framework**

Vision:

Where do we want to go?

Vision:

Where do we want to go?

By providing a common reference terminology, ESCO supports a well-functioning and integrated European labour market with solid and ample bridges to education and training systems.

Mission:

How will we help to get there?

Mission:

How will we help to get there?

- _ Multilingual terminology by 2016*
- _ Three pillars*
- _ Build the bridge*
- _ System to translate & transcode*

Position:

How do we work together with others?

Position:

How do we work together with others?

- _ Classifications, vocabularies, databases, ...*
- _ Tools and services*
- _ Technical & syntactic standards*
- _ EQF & EURES*

Added value:

How will it help people?

Added value:

How will it help people?

- _ *Job matching*
- _ *EURES & cross border mobility*
- _ *Education and training*
- _ *Skills intelligence and statistics*

Guidance principles:

Which values guide our work?

Guidance principles:

Which values guide our work?

- _ Useful*
- _ Accepted*
- _ Userled*
- _ Updated*
- _ Quality*
- _ Involvement of national level*
- _ Involvement of stakeholders*
- _ Intersectoral*
- _ Multilingual*
- _ Reflecting realities*
- _ Transparent and open*
- _ Machine readable*
- _ Dynamic*
