

22nd Maintenance Committee meeting

8 December 2017
Aikaterini Sylla

Group of skills	Number
Number of skills, competences and knowledge (the entire skill pillar)	13894
Number of skills/competences	10977
Number of knowledge concepts	2917
Number of transversal skills (this does not include the hierarchy, but only the leaf nodes)	215
Number of sector-specific skills/competences and knowledge	9690
Number of cross-sectoral skills/competences and knowledge (concepts tagged as cross-sectoral)	3989
Number of contextualized skills (these are the skills that have a transversal skill as a broader)	2893

Discussion

- ❖ *What can we learn from looking at the examples?*
- ❖ *How should the transversal skills be presented/communicated when published in ESCO v1?*
- ❖ *How should we guide users in the use of the transversal thesaurus and how is it related to the OCC pillar?*
